Information for New Members for the 2018 BMGA Season

- **By returning this application with your check for \$225, you agree to abide by the BMGA bylaws, including the following:**

Expectation that you will participate in 10 tournament rounds between March and December (each weekend/holiday day is an opportunity- over 80 in all).

Payment of a fine equal to one greens fees any time you fail to show for a tournament round, fail to fill your slot with another member, or fail to notify the Pro Shop 48 hours in advance that you will be unable to play.

- **How the club works:**

Your \$125 club dues entitle you to participate in BMGA tournaments. Club dues are used to pay for your CSGA handicap, subsidize major club social / golf events such as the Spring Kick-off banquet, the member-guest tournament, and the fall awards banquet, for printing and postage, and for our Website.

BMGA members are entitled to sign up for starting times two weeks ahead of the date they are signing for (that's over a week sooner than the general public). You can make your own foursomes for most BMGA events or sign up as a single player to complete a foursome (a handful of tournaments have pairings by the tournament committee).

BMGA events are generally single day, 18-hole events (some tournaments require both Saturday and Sunday participation). There are different types of tournaments each weekend - e.g. individual gross & net; two or four man events, etc.

For each BMGA event, you are required to pay a tournament fee of \$10.00 (in addition to your greens fee). All tournament fees collected are returned to winners as pro shop credit
